

**Evolusi Sistem Politi Alam Melayu: Pemantapan Tauhid, Pemikiran
Dan Perilaku Siasah Dalam Agenda Kesejahteraan Menurut
Perspektif Keperdanamentarian Malaysia**

Nasrudin Mohammed

ABSTRACT

This paper looks at the evolution of the Malay World polity system with emphasis on the leadership of its Prime Ministers. Specifically, this paper discusses certain aspects of leadership – which include the tawhid, thoughts and political behaviours of the prime ministers in view of the wellbeing agenda. Thus, the efforts of all five prime ministers are briefly reviewed and discusses.
